

DWIANA ANDAYANI

Dwiana Andayani is a pharmacist and a staff of Indonesian Drug Regulatory Authority - Badan POM. Dwiana started her career in Badan POM in 1993 as an evaluator for Generics Dossier, then moved to Clinical Trial unit in 2001. Today Dwiana leads the Drug Safety Surveillance division in Badan POM.

Dwiana facilitates along with her colleagues the Good Clinical Practices Inspection course since 2010.

Dwiana's passion is sharing knowledge and experience with others. She is also active in several local communities. Dwiana loves to travel and search for positivity at all things in life, which the Global Learning Opportunities courses help her in doing so. "Positive thinking is important" says Dwiana, "positive thinking will let you do things better to achieve your goal".
